

INTERNATIONAL WOMEN'S DAY

SATURDAY 8th MARCH 2014

Mary – A Model of Discipleship.

A woman who said yes
and conceived in loving relationship

A woman who said yes
and gave birth to a new life for herself and the world

A woman who said yes
that walked the talk and talked the walk in the Magnificat

A woman who said yes
that was repeated and deepened every day in pondering prayer

A woman who said yes
to great suffering that held the body of her Son and the World

A woman who said yes
to believing in the Kingdom of God coming and already here

A woman who said yes to Jesus
and no to all that was not discipleship.
