

Parallel Digital Event at CSW66

Empowering Women at the Grassroots through Sustainable Agriculture:

Gender Equality at the Center of Solutions for Climate Change and Disaster Risk Reduction

March 16, 2022
8:00am-9:30am EST

Registration required

We look forward to welcoming you to a moderated panel co-sponsored by the Ministry of Gender Equality and Family of the Republic of Korea, and Good Shepherd program participants and technical expertise from Africa, Asia Pacific and Latin America that are implementing sustainable agricultural empowerment programs having a strong gender component.

Panelists will share their learnings and expertise from their time in the programs and steps taken to positively impact women and girls, and the planet through developing local resources and capabilities.
